Indication of any immediate		
medical attention and special		
treatment needed	No further relevant information available.	

5 Firefighting measures

Extinguishing media

• **Suitable extinguishing agents** CO2, extinguishing powder or water jet. Fight larger fires with water jet or alcohol-resistant foam.

- Special hazards arising from the substance or mixture
 Advice for firefighters
- · Protective equipment:
- No special measures required.

6 Accidental release measures

 Personal precautions, protective equipment and emergency procedures

Not required. No special measures required.

• Environmental precautions:

Methods and material for

containment and cleaning up: Collect mechanically.

· Reference to other sections

No dangerous materials are released. See Section 7 for information on safe handling

See Section 8 for information on personal protection equipment. See Section 13 for information on disposal.

7 Handling and storage

· Handling

· Precautions for safe handling No special measures required.

· Information about protection

against explosions and fires: No special measures required.

 Hazardous decomposition products:

No dangerous decomposition products known

- **11 Toxicological information**
 - · Information on toxicological effects
 - · Acute toxicity
 - Primary irritant effect:
 - Skin corrosion/irritation No irritant effect.
 - · Serious eye damage/irritation No irritant effect.
 - Respiratory or skin sensitisation

No sensitizing effect known.

· Additional toxicological information:

The product is not subject to classification according to the calculation method of the General EC Classification Guidelines for Preparations as issued in the latest version: When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

12 Ecological information	
· Toxicity	

- Aquatic toxicity: No further relevant information available.
- Persistence and degradability No further relevant information available.
- · Behaviour in environmental systems:
- · Bioaccumulative potential No further relevant information available.
- Mobility in soil No further relevant information available.
