	(Contd. of page 1)
	Causes serious eye damage.
	May cause respiratory irritation.
• Precautionary statements	Avoid breathing dust/fume/gas/mist/vapours/spray.
r recutionary statemente	IF IN EYES: Rinse cautiously with water for several minutes.
	Remove contact lenses, if present and easy to do. Continue
	rinsing.
	Immediately call a POISON CENTER/doctor.
	Specific treatment (see on this label).
	Take off contaminated clothing and wash it before reuse.
	Store in a well-ventilated place. Keep container tightly closed.
· Other hazards	
· Results of PBT and vPvB as	sessment
· PBT:	Not applicable.
·vPvB:	Not applicable.

3 Composition/information on ingredients

 • Chemical characterisation: Mixtures

 • Description:
 Mixture consisting of the following components.

 • Dangerous components:

 65997-15-1
 Cement, portland, chemicals Cr(VI)<2ppm Eye Dam. 1, H318; Acute Tox. 4, H312; Acute Tox. 4, H332; Skin Irrit. 2, H315; STOT SE 3, H335

 • Additional information
 For the wording of the listed hazard phrases refer to section 16.

4 First aid measures

 After inhalation 	Supply fresh air.	
 After skin contact 	Instantly wash with water and soap and rinse thoroughly.	
· After eye contact	Rinse opened eye for several minutes under running water. Seek medical treatment.	
· After swallowing	Rinse out mouth and then drink plenty of water.	
-	Seek medical treatment.	
 Information for doctor Most important symptoms and effects, both acute and 		
delayed Indication of any immediate medical attention and special	No further relevant information available.	
treatment needed	No further relevant information available.

5 Firefighting measures

- · Extinguishing media
- · Suitable extinguishing agents Not required
- Special hazards arising from
- the substance or mixture No further relevant information available.
- Advice for firefighters • Protective equipment:
 - t: No special measures required.

6 Accidental release measures

 Personal precautions, protective equipment and emergency procedures Not required.
 Environmental precautions: No special measures required.
 Methods and material for containment and cleaning up: Collect mechanically.
 Personal precautions See Section 7 for information on sefe hand!

• **Reference to other sections** See Section 7 for information on safe handling See Section 8 for information on personal protection equipment. See Section 13 for information on disposal.

7 Handling and storage

- · Handling
- · Precautions for safe handling Prevent formation of dust.
- Information about protection
- against explosions and fires: No special measures required.
- · Conditions for safe storage, including any incompatibilities
- · Storage
- · Requirements to be met by
- storerooms and containers: No special requirements.
- Information about storage in one common storage facility: Not required.
 - mmon storage facility: Not required
- Further information about storage conditions:
- · Specific end use(s)

Keep container tightly sealed. No further relevant information available.

8 Exposure controls/personal protection

• Additional information about design of technical systems: No further data; see item 7.
